

Valley Hydro-Excavation, LLC is currently seeking a Hydrovac Operator to join our team in Campbellsport, WI. This position specializes in the excavation of material via a high-pressure water pump to break up and loosen the soil being excavated. We are looking to hire someone who has a strong work ethic and has the ability to work well with others. Day to day operations consist of traveling to job sites around Wisconsin and Upper Michigan to hydrovac holes and trenches for our customers.

Job Description:

- Perform duties related to the operation of hydrovac equipment.
- Operate and maintain all types of equipment including but not limited to: Hydrovac Truck, Excavator, Drilling Machine, Skid Loader, ForkLift, Dump Truck, Pickup Trucks, and Trailers.
- Maintain a safe work environment.
- Work with a team to safely complete tasks as assigned.
- Follow safety and OSHA guidelines at all times.
- Other duties as assigned by supervisor.

Education/Experience:

- High school diploma or equivalent
- Previous experience in hydrovac preferred
- Commercial Driver's License (CDL) or open to getting a CDL
- Experience with a variety of hydraulic equipment preferred
- Being mechanically inclined is helpful
- Ability to read and interpret documents such as safety rules, operating and maintenance instructions, and procedure manuals.
- Ability to work in a team environment as well as independently.
- Must be able to communicate effectively with co-workers and customers.
- We are willing to train the right person

Job Type: Full-time

Pay Rate: \$30.00 - \$35.00 per hour

Work Location: In person
